CROWD COACHING EVENT
13 SEPTEMBER, 2025

Why Sponsor the Crowd Coaching Event?

You Inspire Project is proud to present the Crowd Coaching Event in Limassol, Cyprus, on September 13, 2025 – an inaugural transformational event designed with a clear purpose: **to create a space and environment for real-time transformation for a large group of professionals.**

For 6.5 hours, every activity is intentionally transformative, not merely informative. 70% of the program is dedicated to deep reflection, emotional intelligence development, communication skills, and collective wisdom exchange. The event theme, "Mindful Working – How to Feel Better at Work," aligns directly with our philanthropic mission **to create a thriving work culture in Cyprus and Europe.**

We are not hosting a typical conference with famous speakers, a workshop led by a few experts, or an exhibition showcasing businesses. Instead, we create a format where the **participants themselves play the lead role**; every moment is geared toward their self-reflection and personal and professional development.

If your company shares this mission—not just by sponsoring an event for the sake of the event, but by supporting an event for the sake of transformation—then this is the right opportunity.

What exactly does Sponsorship offer your Brand?

Boosted Recognition and Credibility

- Gain recognition within the Cyprus and European communities for supporting a first-of-its-kind coaching event, built to international coaching standards with ethical codes, coach guidelines, participant well-being protocols, and facilitator handbooks.
- Become a trusted brand that supports participants in-depth immersion into personal and professional life—understanding purpose, overcoming obstacles, and feeling better at work.

Authentic Visibility

- Your brand will be presented as one that acts meaningfully, not merely speaks.
- We'll collect extensive participant feedback, analyze outcomes and insights—attributing your support—and provide impact data for your own media promotion.

Exclusive Access to Key Audiences

- Our audience: professionals, C-level executives, HR leaders, decision-makers, including high-caliber expats in IT, Finance, Hospitality, Telecom, and more. By partnering with us, you will help to create a supportive, English-speaking community where attendees share migration, mindset, mentality-related, and professional challenges. This event will serve as professional coaching support and a well-being connection with like-minded peers.

Industry Leadership

- Sponsoring positions your brand as a pioneer in innovative social technologies.
- Crowd Coaching is an official You Inspire format—large-scale coaching that goes beyond one-on-one or small-group coaching models. Your company strategically benefits by helping co-create this next-level coaching framework.

Ultimately, if your goal is to build TRUST in your brand — both within your workforce and across the Cyprus and European communities — sponsoring the Crowd Coaching Event on September 13, 2025, is the way to do it.
